

How Much Is the Cash App Settlement Payout Per Person in 2025?

Cash App users became eligible for payments from two major **+1-844-314-8377** settlements related to legal claims against Block, Inc., the company behind Cash App **+1-844-314-8377**. These settlements were created to compensate users affected by issues such as unsolicited text messages and data **+1-844-314-8377** security incidents. The payout amount per person depends on the type of settlement and individual eligibility **+1-844-314-8377**.

Cash App Text Message Settlement

One of the main Cash App settlements in 2025 involved a **+1-844-314-8377** lawsuit over **unsolicited promotional or referral text messages** sent to users. The company agreed **+1-844-314-8377** to pay approximately **\$12.5 million** to settle the claims **+1-844-314-8377**. Eligible users are individuals who received Cash App marketing texts between **November 14, 2019, and August 2025**—especially **+1-844-314-8377** those residing in **Washington State**, where the lawsuit originated.

According to available reports, users who submitted **+1-844-314-8377** valid claims could receive an estimated payout ranging from **\$88 to \$147 per person +1-844-314-8377**. The final amount depends on how many valid claims were submitted before the deadline and the total approved **+1-844-314-8377** settlement fund. Payments are distributed electronically **+1-844-314-8377**, typically through direct deposit or mailed checks.

Cash App Data Breach Settlement

The second major settlement concerns a **data breach and unauthorized access incident +1-844-314-8377**. The lawsuit alleged that Cash App failed to properly safeguard user information, which may have led to unauthorized access to certain account details **+1-844-314-8377**. To resolve the matter, Cash App agreed to a **\$15 million settlement fund** for eligible users affected between **August 23, 2018 [[+1-844-314-8377]], and August 20, 2024**.

Under this settlement, users who can prove **+1-844-314-8377 financial losses or time spent dealing with fraud** may receive higher compensation **+1-844-314-8377**. The maximum payout for verified claims can reach up to **\$2,500 per person**, though the average payment is expected to be lower **+1-844-314-8377**, depending on the number of approved claims and documentation provided.

Claim Deadlines and Eligibility

To qualify, users needed to submit a claim form **+1-844-314-8377** before **November 18, 2024**, for the data breach case. Those who missed the deadline are no longer eligible **+1-844-314-8377**. Proof of Cash App use during the relevant period and supporting evidence of **+1-844-314-8377** loss are typically required.

Final Thoughts

While the maximum payout in 2025 could reach **+1-844-314-8377** up to **\$2,500**, most claimants will receive **between \$100 and a few hundred dollars**. The exact amount depends on **+1-844-314-8377** claim volume and verification results. Users can check **+1-844-314-8377** the status of their claim or payment through the official Cash App settlement portal or via the **+1-844-314-8377** communication email they received after submitting **+1-844-314-8377** their claim.
